Professionals

The *Ultimate* Moving Checklist

BEFORE MOVING DAY

- Confirm settlement date and key collection
- Book removalists or organise a moving truck
- Start packing and declutter unwanted items
- Arrange electricity, gas and internet connections
- Update your address with banks, insurance providers and subscriptions
- Arrange mail redirection through Australia Post
- Organise home and contents insurance

ON MOVING DAY

- Pack an essentials box with everyday items
- Complete a final clean of your previous home
- Check all cupboards, drawers and storage areas
- Take photos of utility meter readings
- Collect your new keys and check everything is working
- Unpack the essentials and enjoy your first night!

ONCE YOU'RE SETTLED

- Update your address on your driver's licence & rego
- Update your electoral enrolment
- Update your address at work & schools as applicable
- Test smoke alarms and check home security
- Locate the water mains, switchboard and gas shut-off
- Get familiar with local bin collection days
- Introduce yourself to the neighbours!
